- Aetna will offer 90-day maintenance medication prescriptions for insured and Medicare members.
- CVS Caremark is working with all PBM clients to waive early refill limits on 30-day prescription maintenance medications.

Ways I Can Help

Blood donation

Hoxworth Blood Center is calling on healthy people to donate blood because some area groups are canceling their blood drives and some individuals are cancelling their donation appointments over fears of spreading COVID-19. **That fear is causing a shortage of blood products across the United States - surgery, chemo-therapy, trauma patients and others are still in need of life-saving blood, irrespective of COVID-19.**

In addition to supplying our 30+ Cincinnati-area hospitals, Hoxworth is currently helping to supply various parts of the U.S. with blood. However, please self-defer or postpone your blood and platelet donation if in the last 28 days you:

- Lived in or traveled to areas with COVID-19 outbreaks (including Italy, France, Germany, Spain, China, South Korea, Iran)
- Live with or have had contact with someone who was diagnosed with or suspected of having COVID-19
- Have been diagnosed with or suspected of having COVID-19

To schedule an appointment:

- Online: <https://donateblood.uc.edu/donor/auth/signin>
- By phone: (513) 451-0910

Donating to food pantries:

Consider donating money to food banks instead of or in addition to shelf stable food. They can often leverage to make the money go farther through partnerships.

- Free store Food Bank <https://freestorefoodbank.org>
- Queen City Kitchen <https://www.queencitykitchen.org/donate-3> (Serves Walnut Hills)
- Our Daily Bread. <https://ourdailybread.us/donate-funds/>

Donating to YMCA for Childcare

The YMCA is providing Childcare for health care professionals, but the cost is prohibitive for some. They have a fundraising campaign to provide scholarships.
