**If you are ages 16-24 and are receiving cash assistance,  
We have great news for YOU!**

**Comprehensive Case Management  
Employment Program**

**A New Way to Work to Change Your Life!**

Ohio is growing and we need **YOUR** help! This growth has opened up so many job opportunities, that we can't keep up with the demand for employees. So, Ohio created CCME, which offers **FREE** trainings to develop the employees to fill these careers.

- Could you commit to a 5 week training for your CDL license to make an average salary of \$40,000 per year?
- What about the Information Technology Field for an average \$35,000 a year?
- How about training for CNA/STNA Averaging \$32,000 a year?

These are just a few of the in-demand career options that are available for **YOU!**

What Can These  
Trainings Do For  
**YOU?**

Earn Income To  
Meet Your Needs!

Assist With  
Obtaining Your GED!

Help You Obtain  
Affordable Housing!

Help You Pay For  
Reliable

Transportation!

So what are you waiting  
for? Take the first step!

# Change Lives as a Prosperity For All Partner

“I don't feel like I'm alone during this journey”.

-PfA graduate who completed Phlebotomy training, obtained a full-time position, and is no longer receiving cash assistance

**Prosperity for All (PfA) is a visionary pilot program developed through the Cincinnati USA Regional Chamber “Leadership Action Team” in the fight against poverty.**

Poverty doesn't have to be a generational malady. PfA empowers the willing and capable to break the cycle. Upon completing the program, PfA graduates are capable of financially providing for their family and weaning themselves off of public assistance. PfA ultimately seeks to alter Ohio's laws and requirements for individuals receiving Ohio Works First (OWF) subsidies and enrollees in Ohio's Temporary Assistance for Needy Families (TANF) cash assistance program.

What sets PfA apart is that, in addition to helping current subsidy recipients, PfA is an effective ally in assisting Ohio's employers to fill open, well-paying positions.

Started in September 2016, this two-year pilot program is the first of its type in Ohio and is facilitated by Easterseals in partnership with Hamilton County Job and Family Services.

### Differentiating Interventions

- Waiving of Ohio Works First work participation requirements during enrollment, allowing focus on career advancement
- Intensive case management with no more than 20:1 caseloads, allowing for personalized support
- Paid training in sector-based high-demand pathways
- Engagement of local business partners for job shadowing, interviews and potential employment

**Join Leadership Action and Easterseals to change the lives of some of our most vulnerable citizens.** As a business leader, you can make a difference in a number of ways.

### BECOME A PfA PARTNER

- **Financial Support.** The pilot program costs \$80K annually, which is funded through private donations. Your gift or sponsorship makes it possible to provide the support needed to break the cycle of poverty.
- **Hire a PfA graduate.** Our program minimizes the risk of employing people from hard to hire backgrounds with our endorsement of qualification and a job coach through the first critical months.
- **Share your resources.** Become a mentor, offer your business as a job shadow site, or volunteer as an interview coach.
