Monthly Career Fairs Resume January 17!

OhioMeansJobs has hosted the All Professions Career Fair monthly since Summer 2022. Each month, the Business Services team has worked to improve and better meet the needs of employers and job seekers. Their hard work has paid off with consistently positive feedback from employers and an average of about 100 job seekers attending. We are looking forward to continuing this trend in 2024!

Working with Job Seekers? Invite them to attend the All Professions Career fair on the third Wednesday of the Month at 2pm at OhioMeansJobs (1916 Central Parkway).

Need a Conference Room? Need to register for a workshop?

Along with many building updates, we have implemented a new scheduler for the Center. This can be used by partners to schedule a conference room, by employers to register for workshops and career fairs, and by job seekers to register for workshops and career fairs.
